

ARCO2012

Association Research Circulation Osseous

The 16th International Symposium on Bone Circulation
January, 12 to January 13 2012

Brussels, Belgium

Dear Colleagues,

It is my pleasure to invite you to the **16th International Symposium on Bone Circulation, ARCO** which will take place in Brussels, Belgium on January 12th and 13th 2012. We are planning an interesting program for 2012 which will feature international leaders in the field of osteonecrosis and fracture healing.

Hoping to welcome you in Brussels for this exciting event,

Prof. Valérie Gangji
